

HEALTH & SAFETY POLICY

It is the policy of Designation Ltd to maintain, on a continual improvement basis, an effectively managed Health & Safety Management System as defined in ISO 45001:2018

Our health & safety management system documents our commitment to provide safe and healthy working conditions that includes:

- prevention of work related Injury and ill health
- establishing measurable health & safety objectives
- the fulfilment of legal and other requirements
- the elimination of hazards and the reduction in occupational health & safety risks
- continual improvement in health & safety management and performance
- consultation and participation of workers

All our employees have a responsibility towards the health and safety of themselves and of others and a responsible attitude and commitment to the company's objectives is a cultural element of working within our organisation.

This Policy is communicated to interested parties via the company website and to all employees during induction training and it is displayed in prominent positions around the premises.

Our health & safety objectives and targets shall be formally reviewed at each management review of the quality, environmental and health & safety management system.

Records of the review shall be retained

This Policy is approved by the Managing Directors signature

A handwritten signature in black ink, appearing to be "M. O'Boyle".

M. O'Boyle
Managing Director
